

Accelerate Your Cardiac CT Success

Expert Support from **MedAxiom** — Built for Arineta Customers

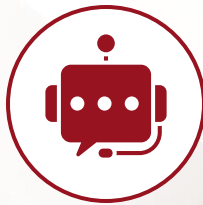

MedAxiom, an ACC company, offers specialized consulting services to help you successfully launch, optimize, or expand your cardiac CT program. Choose the support level that fits your needs:

Option 1

Time & Materials (Virtual)

- ▶ Flexible, hourly consulting support
- ▶ Use for targeted strategy, documentation review, or troubleshooting
- ▶ Ideal for experienced programs or focused consulting needs

Option 2

Comprehensive Virtual Support + Roadmap

- ▶ Four (4) virtual sessions with MedAxiom consultants
- ▶ Includes a structured Cardiac CT Roadmap tailored to your site
- ▶ Support for staffing readiness, training pathways, compliance, accreditation, and referral growth
- ▶ Templates for patient and provider educational materials

Option 3

Tailored Onsite Support + Roadmap

- ▶ Five (5) virtual sessions + 1-day onsite visit
- ▶ Personalized roadmap and team evaluation
- ▶ Customized staffing tools, partnership guidance, and marketing assets
- ▶ Full support for compliance, revenue optimization, and accreditation planning
